Make the most of spring with Rough Guides

Boasting one of the most dramatic stretches of coastline in all of Europe, as well as some of the continent's wildest mountains, tiny Montenegro is likely to confound most people's expectations. Step into the heart of this European wilderness with the new *Rough Guide to Montenegro* and explore every corner: whether it's getting lost in Kotor's Old Town, visiting Njegos Mausoleum nestled in Lovcen National Park, or braving the view from the Tara Canyon.

Visit Naples and its stunning coast with the new *Rough Guide to Naples and the Amalfi Coast* - discover the secrets of Tiberius on the island of Capri or sit back and relax with a Neapolitan-style pizza in the city in which it was invented. Or make *The Rough Guide to The Czech Republic* your companion as you sit watching the world go by in Prague or stroll through the unspoilt wilderness of the Sumava.

Heading a little further afield? *The Rough Guide to South America on a Budget* is the latest in the Rough Guides 'on a Budget' series. Bringing the best of this beautiful and diverse continent to travellers eager to save their pesos, it has all you need to make the most of your big trip.
